Hello Cutguru Customers,

We would like to announce that Cutguru has been re-acquired from Lectra by the original owners, led by the founder Jason Kawczynski. We are currently in the process of transitioning the inventory and website over to a new location and expect everything to be back up and running fully by Monday June 9th.

Jason and his team are excited to bring Cut Guru back to its roots again as the largest independent consumables supplier for the sign and graphics market. With extensive experience and technical knowledge our team is here to provide you with impeccable service and top-notch products.

Following ownership changes, all products will be back and fully stocked again. The complete catalog that you have trusted for many years to get superior results will be available.

Over the course of this week we will be lowering prices on many items, re-stocking inventory, and streamlining the process to offer a better experience for all customers. If you have any difficulties ordering any products please call our office at 414-939-4878 and our staff will assist you.

Some past customer information was not able to migrate into the new system, but no worries, you can either simply create a new account or call us and we can set up the account for you.

All purchase orders can be sent to orders@cutguru.com and we will ship the same day. We are currently utilizing one of our vendors stock to fill items that until new Cutguru inventory is completed.

Any invoices that you have received from Lectra will be paid directly to them as of before June 1st. Orders placed on or after that will be paid to Cutguru. The billing contact is as follows:

By Mail:

Cutguru
PO Box 101
Burlington, WI 53185
